On November 22, 1963, T was assigned to work at the Trade Mart there the President was scheduled to speak. When it was amounted that the President had been shot, Captain O. A. Jones told no to take three men and renort to the Widnity of the Court Proson.

Detective J. B. Toney, M. A. Buhk, E. E. Taylor and myself left the Trade Mart going south on Industrial Flvd. When we reached Oak Lawn Avenue, the police dispatcher requested all available zquads to report to vicinity of Past Jefferson and Tenth Street. I checked out to this location. Prior to arrival at Jefferson and Tenth, we received informathat suspect was seen going into the Public Library et Marselis and Jefferson. We checked this out and found it to be a false report. We continued to cruise in the eres and were at Davis and Llewellyn when we received information that the suspect was seen running into the Texas Theatre. We went to the Texas Treatre. I instructed Detective Buhk to remain with the radio and Toney, Taylor and I went into the theatre. We were told that the suspect was in the balcony. We were questioning a young man who was sitting on the stairs in the balcony when the manager told us the suspect was on the first floor. When I reached the seating area on main floor, several officers were in the process of disarming and handcuffing the suspect. The suspect yelled "I know my rights, this is police brutslity". I did not see anything that indicated that any more force was used than was absolutely necessary to effect the errest.
